BROOKS ROBINSON

Presented by

July 24

"I'm thrilled to have the opportunity to raise money to put back into the York community, and especially to help at-risk youth. York helped get me started on my baseball career, and I've enjoyed many special relationships there over the years. I enjoy being able to stay involved through my role with the Revolution. It's exciting to see the way the Revolution has become a vehicle for promoting not just baseball but a real sense of community in York."
