

» BACK GAME «

Fourteen years ago, York's home team Revolution took the field at PeoplesBank Park for the first time, igniting the spirit of Revs Time in our community and sparking a renaissance in downtown York. Over the years, the team has helped businesses gain new customers through marketing programs, provided an outlet for entertaining employees and customers, hosted educational outings for local schools, created "best days ever" for families and donated hundreds of thousands of dollars to local organizations. Last year reminded us just how different York would look without the Revs; now the team is excited and ready to get back in the game!

In 2007, hundreds of local businesses stepped up to bring baseball to York through sponsorship, events, ticket plans, and skybox rentals. Now we're again calling on the local business community to join us in getting back to Revs Time. The team is offering comprehensive "Back in the Game" sponsorship packages that include marketing inside the ballpark, exposure in the community, and one-of-a-kind experiences. Let's work together to get our team and your business back in the game in 2021!
