

BOOMER'S BOOK CLUB

717-801-HITS (4487)
info@yorkrevolution.com

Dear Parents,

Welcome to the York Revolution's Boomer's Book Club program!

The Book Club is a win-win for club members. It provides incentives for your children to grow as readers. They improve their reading skills AND get the fun of York Revolution baseball. Reading time becomes Revs time!

Here are the three easy steps to participate in the program with your children:

1. Have your child read (or read to them) one to four books outside of school over four to eight weeks.
2. Have your child record the title of the book(s) they have read on the provided bookmark and return it to their teacher. The teacher will then initial the bookmark.
3. Once your child has completed the books, follow the instructions on the back of the bookmark to redeem your prizes.

Help your child score great prizes:

SINGLE

Receive a free ticket, good for any of the Boomer's Book Club dates (May 7, May 22, June 5, and June 24). Additional discounted tickets for family members can be purchased for only \$10. Seats are based on availability.

DOUBLE

Receive a kid's meal voucher to go along with your ticket at the Boomer's Book Club game you choose to attend.

TRIPLE

Receive a FREE PennState Health Children's Hospital Playground pass for unlimited fun at that game, in addition to Single and Double prizes.

HOME RUN

Receive an exclusive Boomer's Book Club jump rope, courtesy of the **York Revolution**, in addition to Single, Double, and Triple prizes.

All prizes can be redeemed and additional discounted tickets can be purchased by simply presenting your child's bookmark in person at the Shipley Energy Ticket Office at PeoplesBank Park, beginning on the date of the first Boomer's Book Club game, **May 7**.

We cannot wait to see everyone this year at Boomer's Book Club!
